Docket 21

**Tentative Ruling:**

9/13/2021

**Note: Parties may appear at the hearing either in-person or by telephone. Parties electing to appear in-person shall comply with all requirements regarding social distancing, use of face masks, etc. which may be in effect at the time of the hearing. Parties electing to appear by telephone should contact CourtCall at 888-882-6878 no later than one hour before the hearing.**

The Court has reviewed the *Joint Pretrial Stipulation on Adversary Complaint Pursuant to 11 U.S.C. § 523(a)(8)* [Doc. No. 44] (the “Pretrial Stipulation”) submitted by the parties on August 31, 2021. The Court will enter an order confirming the Pretrial Stipulation as the Pretrial Order. The Pretrial Order shall govern the course of trial of this cause, unless modified to prevent manifest injustice.

Trial shall take place on **Monday, September 27, 2021**. The trial day commences promptly at **9:00 a.m.** Based upon its review of the Pretrial Stipulation, the Court finds that this matter can be tried in one day. Unless ordered otherwise, all parties, their counsel and witnesses must attend the trial in-person. The Court does not conduct trial by declaration; all testimony sought to be introduced must be elicited at trial.

No later than **Monday, September 20, 2021**, each party shall serve and exchange the following:

- 1) A trial brief;
- 2) A set of proposed findings of fact and conclusions of law; and

3) Trial exhibits.

The foregoing items shall also be delivered directly to Judge Robles' chambers no later than **September 20, 2021**. (The Pretrial Stipulation contains a list of trial exhibits and a list of witnesses, so it is not necessary for the parties to serve and exchange these items.)

On the day of the trial, each party shall provide **two** additional copies of that party's trial exhibits for use at trial (one copy for the party and one copy for the witness).

When preparing the trial brief, the proposed findings of fact and conclusions of law, and the trial exhibits, the parties shall comply with the following requirements:

**1) Contents of Trial Brief:**

- a) The trial brief shall contain all the information specified in Local Bankruptcy Rule ("LBR") 9013-2(a)(1).
- b) Unless otherwise ordered, the trial brief shall not exceed twenty pages.
- c) The trial brief shall contain a table of contents and table of authorities (neither of which count towards the page limit).

**2) Contents of Proposed Findings of Fact and Conclusions of Law:**

- a) The proposed findings of fact and conclusions of law shall be prepared in accordance with LBR 7052-1.
- b) Each proposed finding of fact shall be supported by a reference to an exhibit or to anticipated testimony.
- c) The proposed findings of fact and conclusions of law shall not contain argument or facts that are not substantiated by evidence.

**3) Trial Exhibits:**

- a) Prior to delivery to chambers, all exhibits shall be pre-marked with exhibit tags. Exhibits tags are available on the Court's website at [https://www.cacb.uscourts.gov/forms/local\\_bankruptcy\\_rules\\_forms](https://www.cacb.uscourts.gov/forms/local_bankruptcy_rules_forms). Exhibit tags shall not obscure any portion of the exhibit; if necessary, the exhibit tag may be placed on the reverse of the exhibit.
- b) Plaintiff's exhibits shall be identified numerically (e.g., Exhibit 1, 2, 3, etc.). Defendant's exhibits shall be identified alphabetically (e.g., Exhibit A, B, C, ... Z, AA, AB, AC ... AZ, BA, BB, BC ... BZ, etc.).
- c) If a party has more than ten (10) exhibits, the exhibits shall be placed in a three-ring binder or binders. Exhibits shall be divided by a tab extending

beyond the right-hand side of the page, which shall bear the number or letter of the exhibit. Each page of the exhibit binder shall be numbered sequentially beginning with the first page of the binder. A separate numbering sequence for each exhibit should **NOT** be used—that is, if Exhibit 1 has 37 pages, the first page of Exhibit 2 shall be numbered "38," **NOT** "1." This numbering convention makes it easier for counsel to direct a witness to the correct page of an exhibit at trial. To apply sequential numbering to a PDF document in Adobe Acrobat Pro, select **Organize Pages** in the **Tools** pane, and then select **More > Bates Numbering > Add**.

No appearance is required if submitting on the court's tentative ruling. If you intend to submit on the tentative ruling, please contact Landon Foody or Daniel Koontz at 213-894-1522. **If you intend to contest the tentative ruling and appear, please first contact opposing counsel to inform them of your intention to do so.** Should an opposing party file a late opposition or appear at the hearing, the court will determine whether further hearing is required. If you wish to make a telephonic appearance, contact Court Call at 888-882-6878, no later than one hour before the hearing.
